PEARLINE
WASHING COMPOUND
THE GREAT INVENTION
FOR SAVING TIME & EXPENSE
WITHOUT INJURY TO THE
TEXTURE COLOR OR HANDS
NEW YORK.

DON'T use an imitation of anything, much less imitations of Pyle's Pearline—they are dangerous. Peddlers and unscrupulous grocers will tell you the stuff they offer is "Pearline," "same as Pearline," "or as good as Pearline." IT'S FALSE—Pearline is the Standard Washing Compound to-day—has no rival—no equal—never peddled—gives no prizes—but stands on the foundation on which it was reared—MERIT.

GIVEN UP HIS THRONE.

ATWOOD

Offers a choice for $3.98.

JUST FOR AN APPETIZER! JUST TO SET THE BALL A-ROLLING. Now as we enter with a zest upon another booming season's trade, we offer you, beginning today, this choice from some hundreds of Children's Knee-Pant Suits for lads from $6 to 15 years of age. We don't say the former prices were $10.00 to $20.00, but we do say many of these suits are intrinsically worth two or three times the money we ask for them, and you will unanimously confirm this if you take the trouble to investigate. There's money lost on the deal, but you always return substantial acknowledgments for a genuine benefit, and that encourages us to continue in well doing. Incidentally we want to mention the big assortment of

Rogers, Peet & Co. Spring Overcoats.

They'll just make your "mouth water" and your "eyes sorry" if you'll come in and try one on.

Every Household

Should have Ayer's Cherry Pectoral in their medicine chest, as it is generally effective in relieving Coughs, and Sore Throats.

"After my successful practice of nearly a quarter of a century, I can say that for coughs, colds, hoarseness, bronchitis, and all throat and lung troubles, Ayer's Cherry Pectoral is the best remedy I have ever used. I have frequently cured severe cases of pneumonia with it, and have never known it to fail to relieve a cough, when taken in time."—Dr. J. G. Ayer, Lowell, Mass.

Trousers to Measure.

SPRING HATS.

Promising weather and Spring Overcoats are ready—spring weights and spring styles—this indispensable garment that is light, comfortable, and graceful, and the prices touch your pocket-book so lightly.

The banner sale of Trousers, made to measure, the past nine weeks, has given our tailoring department a pre-eminence that thousands will attest. $5, $6.50, and $8 have been the ruling prices for such goods as you'll pay elsewhere $6.50 to $10 for.

Today we open spring stock of Boys' Shirt Waists, magnificent patterns of Percales, Pongees, and Flannels—plain, plaited, and ruffled bosoms. A new feature of these waists is their extra wide collar—4 in. in width.

Spring Hats—Derbys are ready. Everything the latest and best.
